

Seniors Friendly Matches

Because of restrictions caused by the Coronavirus outbreak we have, as you know, been unable to fulfill our scheduled matches this year against our usual opposition.

I have now been approached by my contact at Greenfield GC and by Neil Minton (on behalf of Aqualate GC) about trying to slot in matches against both of them on an away basis.

Firstly, the Greenfield scenario. We are scheduled to play them on the 9th September but that is no longer possible. They are however happy to host us some time that month when it would be golf only (no food).

In respect of Aqualate Neil has suggested a date of Monday 31st August for the game but is not sure whether there would be food or what it might cost or what format might be played.

The purpose of this note is to ask if you, as Senior members of Horsehay GC, are interested in playing in either or both of these matches so that I can let them both know.

Could I ask that if you would be interested in representing the club you email me accordingly by the 16th of August. My email address is ken.pratt17@btinternet.com.

Many thanks

Ken
