

# 'ELECTROKART' GOLF BUGGY FOR SALE

Price £1600.00 ono

Purchased 4 years ago with 22ah Lithium Battery Kit. 2 forward speeds plus reverse, key operated on/off switch. Note: Buggy is easily dismantled to fit neatly in boot of most saloons and hatchbacks. (The user has purpose made folding ramps which are available at no extra charge).

Used at Ironbridge April - Oct 2014 and 2015 plus rounds at one or two other local courses during the same period. Following Ironbridge closure, Buggy has been stored undercover and battery kept charged.
